SHEILA WARNER QUIET ACHIEVER AWARD

In 2018, the President, Cecelia Jackson, introduced the 'President's Quiet Achiever Award' in recognition of a member who quietly but efficiently contributed to the club with little fuss and whose efforts might go unrecognised. The inaugural recipient was Alethea Hubley.

In 2019, our dearly loved Life and founding Member, Sheila Warner, passed away and her family donated a sum of money to the club in her memory. The Management Committee decided to establish a perpetual

trophy in Sheila's memory to be awarded to the President's choice of Quiet Achiever together with a small cash prize as part of the Annual Awards Programme.

Sheila loved being around people. She wanted to be involved and had a unique talent for bringing the best out in people. She could engage so easily and so fluently. She could work the room with ease! She was so suited to club life.

Sheila took on many roles in the club and was passionate in her involvement. She was President in 1995, 1997 and 2003. She held other positions such as the first Vice President, Competition Convenor, Secretary, Greeter, Assistant Secretary and Assistant Treasurer. Sheila was very aware of the 'Quiet Achievers' and their contribution to the success of the club.

2019	Suzanne Dwan	
2020	Georgie Napier-Munn
